### U.S. Department of the Treasury’s Federal Insurance Office Launches New Partnership with the National Science Foundation on Terrorism and Catastrophic Cyber Risks

April 26, 2024

WASHINGTON – This week, the U.S. Department of the Treasury’s Federal Insurance Office (FIO) hosted the 2024 International Forum of Terrorism Risk (Re)Insurance Pools (IFTRIP) Annual Conference. IFTRIP is a forum of 15 nations, including the United States, supporting initiatives for closer international collaboration among sovereign-backed terrorism reinsurance pools. FIO began serving as chair of the IFTRIP in 2024.

During the Annual Conference, FIO announced a partnership with the National Science Foundation (NSF) to establish a new Industry-University Cooperative Research Center (IUCRC) to provide research, analysis, and thought leadership to improve the insurance sector’s modeling and underwriting of terrorism and catastrophic cyber risks. An IUCRC is a vehicle, developed by the NSF, where university faculty and students work with an industry consortium to carry out cutting-edge research focused on the collective needs of a sector of the U.S. economy.

This new IUCRC will bring together the insurance sector, academic teams, the federal government, and other stakeholders to strengthen the resilience of the U.S. financial system through efforts that:

- (1) help insurers to estimate risk with greater certainty, thereby improving insurance pricing, coverage, and policyholder uptake;
- (2) contribute to the potential expansion of reinsurance and capital markets to help support these risks; and
- (3) inform the treatment of terrorism and catastrophic cyber risks in government programs.

[FIO and the NSF’s request for research proposals can be viewed here.](#)

Time	Duration	Description	Speakers
8:30am	30 min	Gathering w/ Continental Breakfast	
9:00am	15 min	Welcome, Introductions, and Overview	Dan Cole, Pitt Erica Owen, Pitt
9:15am	60 min	Keynote: Transforming Cybersecurity	Cheri Caddy, McCrary Institute
10:15am	30 min	<b>Break</b>	
10:45am	60 min	Keynote: New Horizons in Cybersecurity and Risk	Greg Shannon, INL
11:45am	60 min	<b>Lunch</b>	
12:45pm	60 min	Panel #1: Perspectives on Risk	Derek Brown, EQT Jim Gillespie, GrayMatter Mark Hairston, Seubert & Associates Sarah Scheffler*, CMU
1:45pm	15 min	<b>Break</b>	
2:00pm	60 min	Panel #2: Certification and Policy	Chad Heitzenrater, RAND Pgh Zya Hydari, Pitt Sam Perl, CMU SEI Cheri Caddy*, McCrary Institute
3:00pm	15 min	<b>Break</b>	
3:15pm	60 min	Interactive Discussion: Designing the Future of Cybersecurity	Rob Cunningham*, Pitt
4:30pm		<b>Adjourn</b>	<i>*Designates Discussion Chair</i>

# Transforming Cybersecurity

*Cheri Caddy*

*Senior Cybersecurity Fellow, McCrary Institute for Cybersecurity & Critical Infrastructure at Auburn University;  
former Deputy Assistant National Cyber Director for Research & Technology, the White House*

University of  
**Pittsburgh**®  
Cyber Energy Center

# New Horizons in Cybersecurity and Risk

*Greg Shannon, PhD*

*Laboratory Fellow and Chief Cybersecurity Scientist  
National & Homeland Security Directorate  
Idaho National Laboratory (INL)*

University of  
**Pittsburgh**<sup>®</sup>  
Cyber Energy Center

# Perspectives on Risk

*Derek Brown, EQT*

*Jim Gillespie, GrayMatter*

*Mark Hairston, Seubert & Associates*

*Sarah Scheffler, CMU (Chair)*

University of  
**Pittsburgh**<sup>®</sup>  
Cyber Energy Center

# Certification and Policy

*Chad Heitzenrater, RAND Pittsburgh*

*Zia Hydari, Pitt*

*Sam Perl, CMU SEI*

*Cheri Caddy, McCrary Institute (Chair)*

University of  
**Pittsburgh**®  
Cyber Energy Center

# Designing the Future of Cybersecurity

*Robert K. Cunningham, PhD*  
*Vice Chancellor for Research Infrastructure*  
*University of Pittsburgh*
